micro-weddings are where real magic dwells, surrounded by those closest to you. with much of your day crafted in-house, your vision brought to life by us, your day unfolds like a fairytale. nature does the work, deeply personal and a fraction of the cost. less stress, more magic.

micro-weddings are where real magic dwells, surrounded by those closest to you. with much of your day crafted in-house, your vision brought to life by us, your day unfolds like a fairytale. nature does the work, deeply personal and a fraction of the cost. less stress, more magic.

An inclusive micro-wedding venue that handles everything needed in-house. Customized to our couple's unique vision.

For the ones that have dreamed about their wedding day their entire lives, and for the ones who never wanted a wedding.

For the couple wanting small & intimate.

With only their closest friends & family.

For those who love being surrounded by nature & magic.

Who want something unique & custom to who they are.

And a stressless wedding planning experience.

A true fairytale (without the villain!)
